### **DETAILED ACTION**

1. Drawings filed on 6/19/2003 are accepted by the examiner.
2. Applicant's Appeal Brief filed on 3/20/09 have been fully considered and are persuasive. The rejection of claims 1-6, 8 and 19-30 has been withdrawn. Specifically as pointed out by Applicant at last four lines of page 12 of the Appeal Brief that "Li does not disclose that one processor includes a hardware accelerator that is not included in the second accelerator." Upon further consideration, the examiner agrees because Li discloses the same hardware accelerator in every processor element PE (see item 5 of figure 1). Thus, Li does not disclose "wherein the first processor includes a type of hardware accelerator that is not included in the second accelerator" as recited in claim 1 for example.

### ***Allowable Subject Matter***

3. Claims 1-6, 8 and 19-30 are allowed.
4. The following is an examiner's statement of reasons for allowance:

Reference is made to paragraph 2 above as to the reasons for allowance of claims 1-6, 8 and 19-30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duy M. Dang whose telephone number is 571-272-7389. The examiner can normally be reached on Monday to Friday from 6:00AM to 2:30PM.
